The rains came over the weekend and fell to the tune of some 2 inches in Cameron and vicinity. But it was not precipitation that prompted this week's analysis of changing times.

It was the thunder.

A Cameron mother explained: "The thunder interested my 3-year old daughter. Naturally she wondered what caused the loud clapping of thunder as well as the rain."

"When I was a child," she continued, "we used to say that God was moving furniture in the heavens. And that was the cause of thunder."

But the lady's daughter came up with a more modern version. Said the child: "I bet that God is pushing a lot of buttons to make all that noise."

99 — 99 — 99

We would not dispute this young lady's opinion one iota. It is most interesting to see how kids these days associate automation with everything.

Of course, it is no wonder. We find ourselves more than fascinated by push button driving, push button cooking, push button leisure. We are almost enslaved to the automatic devices of our age. And this progress is a wonderful thing . . . if it does not rob people of their initiative.

99 — 99 — 99

SEEN — A sign saying: "Don't just sit there, worry!" This one is a favorite. But I always recall the saying in the Reader's Digest a few years ago. It was as realistic as it was amusing: "If at first you don't succeed, you are doing about average."

Loughmiller said 1958 season tickets would be \$4 and would admit holders to all home games.

The Yoemen football schedule includes 4 games at home and 6 away with one date still open.

Alcoa Promotes

Cameron Employee

Officials at Rockdale's Alcoa plant have announced the transfer and promotion of Larry Zolt, Cameron, as paymaster at Alcoa's Point Comfort plant.

Zolt was employed in the Rockdale plant's payroll department. Officials noted changes in the accounting department of the Rockdale plant to IBM machine operation, but listed no changes other than Zolt in personnel.

Two other employees were transferred to Point Comfort.

Back To School

Classes To Begin Sept. 2

Only 11 vacation days remain until Cameron schools open.

That's the word racing around Cameron today as parents and youngsters alike wind up vacations and start planning for fall classes.

1435 To Attend

About 1435 students are expected to attend opening day classes, Tuesday, September 2, according to school officials.

Accordingly, The Herald presents its second annual back-to-

\$6,500 CHECK RECEIVED — County Chairman Jack Tumlinson presents a \$6,500 polio fund check to W. O. Newton, vice-chairman of the Milam March of Dimes, for deposit and payment for medical aid to an 8-year-old polio victim.

The funds were provided by the National Foundation for Infantile Paralysis to help the recovery of Petra Reyna, stricken by polio in Milam County last September.

Jaycees Lists Winner Of Slogan Contest

The Cameron Jaycees Wednesday announced the winning slogan that will be emplaced on three road signs due to go up in the next few days.

Jaycees President Bill Crockett

said the winning slogan is: "The City of Shade Trees and Friendly People." The winner's name was unavailable at presstime.

Crockett said that several prizes await the winner. To be awarded are prizes including an electric iron from White's Auto Store and a table radio from Zarosky's Radio and TV.

The slogan contest climaxes a sustained Jaycee drive for "Welcome to Cameron" signs that will be erected at the city limits of Cameron at US 77 north and east and SH 36 west.

Jaycee workers have completed construction of the signs and will add the slogan and "Welcome to Cameron" before erecting them, Crockett said.

The trio of signs will be six by 12 feet in size and will stand on tall poles provided by Texas Power & Light.

Project chairmen drawing praise from Crockett were Robert Zarosky and John Schigut.

The Cameron Jaycees are phasing into their latest project of the Bellville football train scheduled for October 10, Crockett said.

He extended his appreciation to the members of the Cameron Kiwanis, Rotary and Lions Clubs for \$50 donations each to pay for materials in the signs and for their co-operation in helping select a slogan winner.

MOD Gives \$6500 To Help Girl, 8 In Polio Fight

A \$6,500 check has been received in Cameron from the National Foundation for Infantile Paralysis to pay for medical expenses of a 2-year-old stricken by polio last year.

The check was received by County Chairman Jack Tumlinson for payment of expenses incurred during the treatment of Petra Reyna, 8, daughter of migrant workers who was stricken by polio in Milam County in September, 1957.

Tumlinson said that the girl joined her family in California in May after responding to treatment. She is under the financial care of the Los Angeles County chapter of the Foundation, he said.

The girl received immediate attention last fall and received specialized care through March of Dimes funds.

He said that it has been necessary in the past five years for the county chapter to call for aid from the national headquarters when local funds were insufficient to cover expenses here.

St. Anthony School

To Open September 2

The Rev. George J. Duda announced today that St. Anthony Catholic school will start classes at 8:45, September 2.

He added that students had registered at the end of school last spring. About 180 children are expected.

Rev. Duda also announced that there will be 4 teachers for the 8 grade school.

Voters To Decide Three Races In County Runoff Saturday

4 Free Shows Set Saturday For Countians

A troop of Western music entertainers will play four free performances in shows Saturday in downtown Cameron.

The show is being sponsored by 37 Cameron businesses under the auspices of the retail trade committee of the Cameron Chamber of Commerce.

Featuring on the program are Billy Western, Smilin' Jerry Jericho, Perk Williams and the Trail Riders, a Western band.

Four free shows will be presented. The first three showings will be 10 a.m., 2 and 3:30 p.m. Saturday at the Milam Courthouse square.

A fourth showing will be held at 4:30 p.m. Saturday in Santa Fe Town.

Held in conjunction with the program will be "Fun Value Day," with merchants offering a number of special values Saturday.

Officials said the free entertainment and specials should attract a large crowd of Milam countians to Cameron Saturday.

Western is a Rock 'n Roll and ballad singer and notes singing engagements with well-known Western personalities including Barefoot Chesser, Red Foley and Hank Thompson. Williams is a singer composer as is Jericho.

Western, the show's headliner, has appeared with Barefoot Chesser on area television shows.

Officials Seeking Data On Hit-Run Victim's Death

Officials are still seeking the identity of person or persons involved in the hit-run killing of 15-year-old Leroy Neely, Davilla Negro youth killed by an unknown motorist August 10.

Officials at the sheriff's office said that a number of clues had been traced, but no evidence turned up for identity of the vehicle or driver.

Young Neely, son of Mr. and Mrs. Elmo Neely, was found in the roadway of FM 487 near Davilla, apparently struck down and killed by a motor vehicle.

Authorities can find no eye witnesses. And clues leading to other victims have not produced any worthwhile information, the sheriff's office said.

Neely had been with his father and uncle Saturday night, August 9 when the trio ran out of gas on FM 487. They decided to sleep in the car until daylight.

But the youth was found early the next morning in the roadway badly mangled.

Final Rites Held For Joe Denson, 66

Joe C. Denson, 66, died in a local hospital at 3:20 p.m. August 14.

JOE C. DENSON

Funeral services were held at the First Baptist Church at 10:30 a.m. Saturday with the Rev. A. F. Russell officiating. Burial was in Oak Hill Cemetery.

Denson was born in Mississippi and moved to Cameron in 1911. He operated the New Cameron Drug Store for 30 years and at the time of his death headed the Cameron Retail Merchants Association, was secretary for the Federal Housing Administration, and represented Federal Crop Insurance in this area.

He was active in city civic life as a former member of the Cameron Lions Club and a member of the First Baptist Church.

Survivors include his wife, Mrs. Olive Denson, Cameron; a daughter, Mrs. Harold Riley, Houston; a sister, Mrs. Watt Skinner of Rogers, and two grandchildren.

Pallbearers were: Ray Burke, J. D. Moore, Earl Curtis, Roy Wright, Niley Smith, Sr., E. A. Perrin, Jimmy Asher, and W. L. Penberthy of College Station.

Marek-Burns Funeral Home was in charge of arrangements.

School Board Okays \$420,100 Budget

The Cameron School Board Thursday approved a \$420,100 budget for the 1958-59 school year, about \$6,000 less than budgeted the previous year.

And board members voted to approve the Yoe High School band trip to Bellville by the Junior Chamber of Commerce football team.

The proposed school budget includes revenue from local taxes of \$78,000 and \$270,000 in per capita apportionment and foundation funds, officials noted.

Actual budget for the 1957-58 year was \$413,747.

The 1958 budget includes about \$270,000 for salaries.

The board also hired a new home economics teacher for O. J. Thomas School. She is Berniece C. McIntire, graduate of Texas College.

And bids were granted to Porubsky Bros. of Dallas, Texas, for the school year. Ritters was low bidder for school bus service this year.

Cameron Cards Play Austin In Tied Game

The Cameron Cards tied the Austin Tigers 4 to 4 in 10 innings in a game stopped by darkness.

Tony Mendoza hurled for the Cards allowing only 5 hits. Louis De La Rosa, Jr. received for him.

Alex Gabert, Austin hurler, gave up 3 hits and fanned 10. Sonny Salazar was his catcher.

Cameron plays the Waco Corals Sunday, 2:30 p.m. at Colonial Field.

It was the second consecutive year for school approval to send the band on the Jaycees football train. This year the train will make a round-trip to Bellville where the Yoemen play October 10.

In other action the board heard that the district board of equalization recommended that district tax renditions for Ad Hall and Marlow be accepted from the county board for one year. Ad Hall and Marlow last spring were incorporated into the Cameron district.

Honor Grad Joins

The Herald Staff

Gloria Boyls, Cameron, has joined the staff of The Herald.

The daughter of Mr. and Mrs. R. L. Boyls, Cameron, she will be typesetter editor.

Miss Boyls is a June graduate from Yoe High School where she was an honor student. She attended Durham Business College, Austin, this summer.

At Yoe High School she was a charter member and secretary of the National Honor Society, member of the YHS band, Future Teachers, Junior Historians, Library Club and Future Homemakers of America.

The Boyls have lived in Cameron the past four years. They formerly resided in Ben Arnold.

Cameron Area Polls Open At 7; 2 Area Races

Milam County voters will go to the polls Saturday for the second time in a month to elect Democratic candidates in the runoff primary.

Max McClaren, chairman of the Milam Democratic committee, said that polls will open in Cameron at 7 a.m. and Rockdale at 8 a.m. Saturday.

All other county precinct polls will open at 8 a.m., he said. All 39 precincts will close at 7 p.m.

Most voters will have only one race to consider. Two candidates J. Edwin Smith and Robert W. Hamilton—are vying for the Democratic nomination for associate justice of the Texas Supreme Court.

Commissioner Race
But in Commissioner Precinct 2, voters will elect a county commissioner from two runoff candidates, LaVert C. McKinney and Robert Weems.

In Justice Precinct 1, two candidates seek party nomination to the post. Running for justice of peace of Precinct 1 are Judge B. G. Rice and Gus Evans, both of Cameron, top vote getters in the primary July 26.

McKinney and Weems led 1-2 in the primary election for commissioner.

Absentee ballots mailed for voting and voted in person totaled 95 Wednesday, according to officials at the county clerk's office.

McClaren noted that voters in Commissioner Precincts 1, 3, and 4 will have only to vote on the Supreme Court associate justice race.

He said a light vote would probably result in the county, but predicted a heavier vote in the Cameron area precincts where the two races are to be decided.

Calls For Report
McClaren asked that election officials call Cameron 99 collect immediately after the official tabulations are complete in their precincts. He said election results are due in his office no later than 24 hours after polls close.

He listed the following election committees: Absentee commit-tee—Lynn Lewis, Frances Crenan, Arnette Zelisko and George McGee; and phone committee—Lewis DeWald, Gene Smitherman, Lester Hanke and Dale Cockrell.

The first primary, July 26 drew a heavy vote. A total of 5,946 votes were counted while only 4,527 voters had paid poll taxes, official statistics showed.

Quarterback Club

To Meet Monday

The Cameron Quarterback Club will hold an organizational meeting Monday night at the YHS Agriculture Building, according to President Calvin Markham.

He said officers for the 1958-59 year will be elected and a program will be outlined for the football season.

Markham invited the parents of the grid Yoemen and the general public to attend.

Cotton Ginning Begins

Rains Slow Milam Maize

Weekend rains slowed maize and cotton production in Milam County as from one to two inches fell in the Cameron area.

The first bale of cotton ginned in Milam County was turned out by Farmer's Gin Co. Officials there said that ginning had been slowed by weekend moisture.

Planter's Gin in Maysfield has produced about 50 bales thus far, officials noted.

325 Cars Of Maize
Meanwhile the maize crop tallied about 325 carloads thus far

with the heavy influx of early maize already completed.

Milam Grain Co. officials noted storage of 116 carloads thus far, about 16 cars more than in the same period last year.

At Buckholts officials of the Buckholts Grain Dryer said that storage there totaled about 180 cars thus far.

Agriculture officials said that rains over the weekend had all but halted maize harvesting and that the season will stretch out another three weeks.

Estimates Dimmed
Early season estimates of a 1,000 carload plus crop were dimmed by the weekend rains. Officials noted heavy moisture content on maize brought in this week.

On the cotton horizon, county cotton is beginning to come in from the approximate 40,000 acres in cultivation. Officials noted 22,479 acres in the soil bank this year.

In other crop news corn was being harvested this week along with maize.

CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT THE GENERAL ELECTION ON NOVEMBER 4, 1958.

SJR #3—Number Nine on the Ballot.

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT THE GENERAL ELECTION HELD ON NOVEMBER 4, 1958.

SENATE JOINT RESOLUTION NO. 3 proposing an amendment to Article IX of the Constitution of the State of Texas, by adding thereto a new section to be known as Section 6, to provide that the Legislature may authorize the creation of a Hospital District coextensive with the incorporated limits of the City of Amarillo, Texas; authorizing the County of Potter to render financial aid to and participate in the operation of such Hospital District; authorizing the Commissioners Court of said county to assess and levy taxes on property outside the incorporated limits of such city; further authorizing a countywide Hospital District for Wichita County, Texas, and authorizing the creation of two districts in Jefferson County; and further providing that any enabling Act shall not be invalid because of its anticipatory character.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article IX of the Constitution of the State of Texas be, and the same is hereby amended by adding thereto another section to be designated as Section 6, which shall read as follows:

"Section 6. (a) The Legislature may by law authorize the creation of two hospital districts, one to be coextensive with and have the same boundaries as the incorporated City of Amarillo, as such boundaries now exist or as they may hereafter be lawfully extended, and the other to be coextensive with Wichita County.

"If such district or districts are created, they may be authorized to levy a tax not to exceed Seventy-five Cents (\$0.75) on the One Hundred Dollars (\$100.00) valuation of taxable property within the district; provided, however, no tax may be levied until approved by a majority vote of the participating voters who have duly rendered their property for taxation. The maximum rate of tax may be changed at subsequent elections so long as obligations are not impaired, and not to exceed the maximum limit of Seventy-five Cents (\$0.75) per One Hundred Dollars (\$100.00) valuation, and no election shall be required by subsequent changes in the boundaries of the City of Amarillo.

"(b) The Legislature may by law permit the County of Potter (in which the City of Amarillo is partially located) to render financial aid to that district by paying a part of the expenses of operating and maintaining the system and paying a part of the debts of the district (whether assumed or created by the district) and may authorize the levy of a tax not to exceed Ten Cents (\$0.10) per One Hundred Dollars (\$100.00) valuation (in addition to other taxes permitted by this Constitution) upon all property within the county but without the City of Amarillo at the time such tax is made for such purposes. If such tax is authorized, the district shall by resolution assume the responsibilities, obligations, and liabilities of the county in the manner and to the extent hereinabove provided for political subdivisions having boundaries coextensive with the district, and the county shall thereafter levy taxes (other than herein provided) for hospital purposes not for providing hospital care for needy individuals of the county.

"(c) The Legislature may by law authorize the creation of a hospital district within Jefferson County, the boundaries of which shall include only the area comprising the Jefferson County Drainage District No. 7, and the Fort Arthur Independent School District, as such boundaries existed on the first day of January, 1957, with the power to issue bonds for the sole purpose of levying a tax of not to exceed Seventy-five Cents (\$0.75) on the One Hundred Dollars (\$100.00) valuation of property therein for the purpose of paying the principal and interest on such bonds.

"The creation of such hospital district shall not be final until approved at an election by a majority of the resident property taxpayers voting at said election who have duly rendered their property for taxation upon the tax rolls of either said Drainage or said School District, nor shall

such bonds be issued or such tax be levied until so approved by such voters. "The district shall not have the power to levy any tax for the operation of the hospital or facilities, but shall contract with other political subdivisions of the state or individuals, associations, or corporations for such purposes.

"If the district hereinabove authorized is finally created, no other hospital district may be created embracing any part of the territory within its boundaries, but the Legislature by law may authorize the creation of a hospital district incorporating therein individuals, associations, or corporations having the powers and duties and with the limitations presently provided by Article IX, Section 4, of the Constitution of Texas, except that such district shall be confirmed at an election wherein the resident qualified property taxpayers who have duly rendered their property within such proposed district for taxation on the county rolls, shall be authorized to vote. A majority of those participating in the election voting in favor of the district shall be necessary for its confirmation and for bonds to be issued.

"(d) Should the Legislature enact enabling laws in anticipation of the adoption of this amendment, such Act shall not be invalid because of its anticipatory character.

"FOR the constitutional amendment authorizing the Legislature to create a Hospital District coextensive with the incorporated limits of the City of Amarillo, Texas, and authorizing Potter County to render financial aid to and participate in the operation of said Hospital District, and further authorizing the Legislature to create a countywide Hospital District in Wichita County, Texas, and Hospital Districts in Jefferson County, Texas."

1,435 Students To Enroll In Public School Sept. 2

Supt. Wiley Loughmiller today announced that about 1,060 white students expected to attend opening classes September 2 at Cameron public schools.

He said about 375 Negro students are expected to enroll opening day at O. J. Thomas School. Enrollment at the close of school last spring was 1067 white and 480 Negro, Loughmiller added.

Pre-Registration

J. R. Young, principal of Yoe High School, said that 383 students had pre-registered for high school last spring. This figure is down from total attendance last year, Young said, but the emphasis that a number of students will start classes later to increase the total.

Leon Brady, principal of Cameron's elementary schools, estimated an enrollment of 675 when classes start Tuesday.

Building Repair

Yoe High students will find one of the most modern biology laboratories in the state when they return to school.

The biology laboratory has a new asphalt tile floor, 8 new 4-student science tables and a new instructor's desk.

The student tables and instructor's desk are hooked-up with gas and electricity for classroom equipment, according to Young.

Other work done in Yoe High this summer includes fresh paint on gym seats and in the dressing rooms.

At Ada Henderson, improvements include a new roof and repair and painting in the auditorium and one class room.

Principal Brady said that the metal trim had been painted on the Ben Milam Building.

Lunch Price Change

Supt. Loughmiller also announced that the Cameron School Board had voted to raise school lunch prices to 25 cents each meal.

Last year students purchased lunch tickets for \$1.00 for 5 meals. Loughmiller emphasized that the price change was due to the rise in food prices and a cut in government surplus food available to the schools.

100-Piece Marching Band Awaits Opening Of YHS Football Season

School doors will open September 2 for most Cameron students, but members of the Yoe High Band have been in school all summer. Faithful band members have been attending practice sessions directed by Francis Cox each Tuesday and Thursday since the second week of June. Drill practice started this week in preparation for the football season.

Cox, who is counting on a 100 piece band, has directed music activities in Cameron schools for 27 years and is known as one of Central Texas' best band directors. He said the band would be present at all of the Yoemen's 10 scheduled games, their programs at halftime being based on popular tunes of today.

This year the band will include

20 Ada Henderson students along with the high school band members. Cox also stated that Jimmy Asher would handle the public address system during half-time shows, and Ronald Plentl will lead the band as drum major. Here is a roster of the band according to the instruments they play: Flutes and piccolos: Judy Shapiro, Darlene Moore, Vera Perin, Jacki Dusek, Connie Gerick, Patti Hightower, Sandra Baskin, and Eileen Jacks (bassoonist).

Clarinet: Mary Jane Vogelsang, Ann Swift, Margaret Young, Carolie Boyls, Becky Foster, Charlotte Gay, Patricia Janek, Mary Kestenbaum, Lanette Laffere, Leon Terry, Pat Matula, Rebecca Terry, Dolores Zalesky, Kathy Witt, Kay Pernice, Mary Shumate, Peggy Moseley, Patricia Nesbitt, Carolyn Brashear, Joyce Terry, Sally Alfaro, Rose Mary Matula, Carol Ann Crook, and Sharon Vick.

Alto Clarinet: Nelda Baldridge and Bobby Edmonds. Bass Clarinet: Lanelle Russell, Jolene Wied, Jerry Zolt, Carolyn Griswold, Patsy Anderle, and Peggy Schiller.

Cornets: Judy Sutter, Joyce Smalley, Patsy Bowen, Dale Smith, Charles McGregor, Diane DuBois, Karen Adams, Jean Lester, Joyce Fuchs, Charles Wilkins, Betty Kestenbaum, Linda Kirk, Jane Monroe, Linda Ethridge, Patricia Raymond, and Joy Shuffield.

French Horns: Sandra Smith, Teena White, Jimmy McGregor, Margia Conley, Viva Nane, and Barbara Woodum.

Baritone: Marilyn Hughes, Billy Hensley, Rebecca Harden, Martha Mayer.

Trombones: Ina Hays, James Rackley, Sharon Laywell, Linda Schiller, Margaret Nance, Frances Jackson, June Weems, Annette Russell, and Linda Miller.

Basses: Stanley Fisher, Lonnie Baker, Eugene Mees, and Merlyn Johnson.

Drums: Joyce Hannon, Beverly Schiller, Virginia Reichert, Peggy Mullinax, Helen Reid, Larry Schiller.

Glockenspiels: Daisy Henderson and Catherine Mikula.

Flag Bearers: To be selected.

Twirlers: Ann Swift, Laura Swift, Eileen Jacks, Mary Alice Duncan, and Ann Allison.

Ann Swift (twirler and clarinetist) Laura Swift (twirler and flute) Mary Duncan (twirler and flute) Ann Allison (twirler and flute).

Player-By-Player Outline Speer Lists YHS Grid Roster, Individual Yoeman Prospects

For the fans who really want to know what's in store for the Yoemen Coach Speer has given a thumbnail sketch of all the returning lettermen and a list of B-team players. Here it is.

Cameron 1958
George Zarosky—Senior—End—170 lbs., 2 year letterman. Outstanding down field blocker and linebacker, should be all-district contender.

Joe Humplik—Junior—Tackle—170 lbs., 1 year letterman. Good blocker and exceptionally strong on defense.

From B Team
The following boys will be brought up from last years B team.
Charles Hollas — 145 — Quarter-back — Junior.
Joe Gerick — 160 lbs. — End — Senior.
Ronald Brashear — 140 lbs. — End — Junior.
David Barkmeyer — 155 lbs. — Tackle — Sophomore.
Jackie Raney — 140 lbs. — End — Junior.
Eddie White — 160 lbs. — Center — Sophomore.
Roy Wohleb — 145 lbs. — Center — Sophomore.

Planning For Safety . . .

It's back-to-school time, that's right, just 12 days until Cameron schools open their doors for the 1958-59 school year.

But it's more than just back to classes for our children. It's back to safer driving practices for adults who, perhaps, drive a bit more carelessly past city schools when they know school is out.

They will reinstitute one-way traffic south on Lee St. past Ben Milam School from East 11th St. to East 10th St. Cameron motorists should be mindful of the change . . . one for the greater safety of Ben Milam grade schoolers.

Throughout the city, however, children will be trooping back to classes. Wherever they are and they are everywhere, motorists should be more than aware of their driving responsibilities.

Who knows when a 6-year-old is going to dash across the street?

It behooves Cameron drivers to think ahead these days. No one can predict when that unseen child will appear just ahead.

If the car is exceeding safe driving limits, well . . . who will be to blame?

Teen-agers too should take heed of the potential disaster a fast drag take-off might create. Twelfth St. along the Yoe High Campus appears at times to be a testing ground for local hotrods.

Thus, it's not just back to school for the kids, but back to school, safe driving school, for adults alike. Classes begin September 2. Let's do some safety homework now.

THE LITTLE RIVER PHILOSOPHER

Sage Farms Like World Statesmen
Would Prepare For A Summit Meet

Dear editor:

Every once in a while somebody asks me why I don't do a better job of farming.

How come you've got more weeds in your crops, they'll ask me. How come you're always late in breaking your land, late in planting, late in plowing, late in gathering, late in starting over again? How come your fences are down, your gates sagging, etc.?

Well, now, I'll tell you. When a man spends as much time as I do thinking on the international level, he naturally adapts his farming methods to the international plane, and I consider my farm a perfect example of international diplomacy.

For example, say it's time for me to do some plowing and time for the leaders of the world to hold a summit meeting.

Do we jump right in? Anybody who knows me or the world knows better. Nobody holds a summit meeting until he knows what's going to be discussed and what the answers are and what

conclusions can be reached, just like when I start out on a crop. I don't just climb on the tractor and start, I sit down and figure out how much I think I can make how much plowing it'll take, what the prize may be, what I'll do with the money, etc.

To some people this may sound like over-caution, but that's because they don't think in international terms. In the last 15 or 20 years the world has had eight or ten summit meetings, and if the world is any better off than it was before the leaders met, it's hard to tell, and consequently it doesn't matter how long it takes to get ready to meet at the summit. Rushing into a summit meeting is like me rushing into a farming year. Not going to get anywhere anyway, so me and the world leaders both might as well take our time.

The way I figure it, the world and this farm both are going to be here, whether the statesmen are at the summit or I'm under a shade tree.

Capital Report

Harmony Hoped For At Party Convention

By Vern Sanford
Texas Press Association

AUSTIN—Everyone wants harmony at the State Democratic Convention Sept. 9 in San Antonio. Gov. Price Daniel, U.S. Sen. Ralph Yarborough, National Committeeman Byron Skelton, and Speaker Sam Rayburn—all say they want harmony.

Even National Committeewoman Mrs. R. D. Randolph, who has tirelessly needed Governor Daniel and the state committee for two years, more or less joined in by predicting "a spirit of good will" among delegates.

Despite all the expressions of good intent, harmony among Texas Democrats is hard to come by. Like a huge household of relatives and in-laws, the party always has many clashing personalities and viewpoints under one roof. In the past, there've been rump conventions and separate rival delegations to the national convention.

It is the hope of avoiding this in 1960 that lies behind the cementing efforts. Many leaders contend that a unified Texas delegation could have a key role in naming the next presidential nominee.

All the above-mentioned leaders are presently agreed on one issue—support of the party nominees. Point on which they part is whether the governor should have a veto over the state committee members selected by vote of district delegations.

Governor Daniel, following the practice of past governors, bumped some of the district-selected committee members in 1956 and submitted people more in line with his program.

Mrs. Randolph and Senator Yarborough, now joined by Rayburn, insist the governor has no right to do this.

But Governor Daniel has not promised he wouldn't. He said he felt no district should propose a committee member who is "dedicated to the sabotage of . . . duly elected officers of the party." This almost certainly refers to members of the Democrats of Texas (DOT), an ultra-liberal group that has heckled and hindered the governor and other official party leaders at every turn for the past two years.

Delegates from each of the 31 senatorial districts are allowed two state committee members—a man and a woman. It is estimated that perhaps six of these districts may be controlled by anti-Daniel forces. Therein lies the possibility for discord. If any of these districts proposes a DOTer for the state committee, the governor is not likely to "harmonize."

High Hopes

Mr. Wilson went to Washington, his saddlebags full of multi-million-dollar hopes for Texas school children.

Atty. Gen. Will Wilson personally delivered the Texas brief in the upcoming U.S. Supreme court case on Texas tidelands. At issue is whether the state or federal government owns submerged lands between the points 3 miles out and 10.5 miles out.

Wilson carried the arguments for Texas ownership in 40-year-old saddlebags that belonged to a heroic Texas Ranger. He declares optimistically that the case is jinxed—in Texas' favor—because the brief is dated Aug. 13, trial is set for Oct. 13, oral arguments will last 13 hours and 13 people worked on the research.

More seriously, he noted that Texas had spent "a big sum of money" marshalling its facts, that a bevy of top-notch legal minds from over the state, nation and two foreign countries had spent some 2,000 hours on the 400-page brief.

"We feel like we have an overwhelming case," he said. "We feel like we will win it."

Exploration indicates that the 7.5-mile band of disputed land is exceptionally rich in oil and gas. If Texas is successful in holding its claim, revenue from these resources would go into the Permanent School Fund.

Place In The Sun

Texas Republicans have served notice they will demand an even break at getting their candidates in the favored position on the general election ballot.

Desired place is the first column on the left. GOP leaders say people automatically begin reading in this column, and some never go any further.

Republicans hope to work things out on the local level with some sort of coin-tossing arrangement. But they say they'll go to court, if necessary.

Cities Win Out

Cities and utility companies won the first round of a court battle to determine who pays the cost of re-locating utilities for new interstate highways.

An Austin district court ruled that the cost can be paid from federal-state highway funds, as provided in a law passed by the last legislature. State Highway Department is challenging the constitutionality of this law.

Ultimate decision will, of course, be made by the Supreme Court. Some estimate the re-location costs could run as high as \$100,000,000.

Graveside Rites For Dr. Williams At Little River

Funeral services for Dr. Amelia Worthington Williams were held Saturday at 9 a.m. at Weed-Corley Funeral Home, Austin. Graveside rites were held at 1 p.m. at Little River Cemetery with Dr. James F. Hardie officiating.

Dr. Williams, who died Thursday afternoon in an Austin hospital, was a professor of history at the University of Texas and a leading authority on the fall of the Alamo and the career of General Sam Houston. She was born in Maysfield.

She received her bachelor's, master's and doctor of philosophy degrees from the University of Texas. After teaching in Texas public schools, she joined the faculty at the University in 1925. She retired in 1951.

Among her writings is "The Siege and Fall of the Alamo," "Following General Sam Houston" and "The Writings of Sam Houston" published in eight volumes between 1938 and 1943.

Survivors include two sisters, Mrs. Virginia K. Freeman and Mrs. L. K. Smoot, both of Austin.

Marine Pvt. Donald G. Obermiller, son of Mr. and Mrs. W. E. Obermiller of 1701 N. Houston, Cameron, is scheduled to finish four weeks of individual combat training August 26, at the Marine Corps Base, Camp Pendleton, Calif. The course includes the latest infantry tactics, first aid, demolitions, field fortifications and advanced schooling on weapons.

MRS. H. D. MAXWELL, Jr.

Miss Martha Black
Weds H. D. Maxwell

Saturday at six in the evening Miss Martha Virginia Black became the bride of H. D. Maxwell, Jr. of Rockdale in a candlelight ceremony at the First Presbyterian Church.

The bride is the daughter of Carl Clinton Black, Cameron, and the late Mrs. Mary Agnes Black. The bridegroom is the son of Mr. and Mrs. H. D. Maxwell of Rockdale.

The Rev. John C. Solomon of Houston performed the double ring ceremony before baskets filled with white beauty asters and a seven branch candelabra holding white candles and entwined with white asters.

The candles were lighted by William Carl Black of Dallas, brother of the bride. Traditional wedding music was played by Ladis

Marek.

Escorted By Father

Given in marriage by her father, the bride wore a brown pesante silk suit with brown calf shoes, white kid gloves and a white feather hat. She wore diamond earrings that belonged to her mother and carried a cascade bouquet of white roses atop a white prayer book.

Mrs. William Carl Black of Dallas, sister-in-law of the bride, attended her as matron of honor. She wore a beige silk suit with brown and black accessories. Her bouquet was of white fjuil mums.

Father Is Best Man

H. D. Maxwell attended his son as best man. Groomsmen were William Carl Black and Jack Tumlinson of Cameron.

Mrs. Maxwell chose a navy silk

Luncheon Honors
Black-Maxwell
Wedding Party

Mr. and Mrs. H. D. Maxwell, Sr., 414 Rice, Rockdale, were hosts at their home Saturday noon for a buffet luncheon honoring Miss Martha Black and H. D. Maxwell, Jr.

Mrs. James F. Smith of Amarillo, aunt of the groom, served square of pressed chicken and Mrs. Sam W. Law of Houston, sister of the groom, served the coagulated fruit salad. Relishes, honey glazed hot rolls and strawberry meringues completed the menu.

The buffet table was covered with a cutwork cloth and centered with an arrangement of mauve asters.

The guest list included members of the honorees wedding party and relatives.

Walkers Creek Plans
Annual Summer Meet

Officers of the Walkers Creek Cemetery Association announced that the annual meeting will be held August 31 at the Walkers Creek Baptist Church.

A program has been arranged to start at 10:30 a.m. and the public has been invited to attend and bring a basket lunch.

coat dress with black accessories for her son's wedding. Her corsage was of white pom mums.

Following the ceremony a reception was held in the Fellowship Hall of the church.

Forming the receiving line were Mr. Black, Mrs. R. E. Biggs, aunt of the bride, Mr. and Mrs. Maxwell, the bride and groom and the matron of honor.

Mums Decorate Table

The bride's table was covered with a white linen cloth and held a white tiered cake on a reflector and a crystal punch bowl. Table decorations were of pink pom mums and English ivy.

Cake and punch were served by Miss Mary Elizabeth Biggs of Liberty and Mrs. Michael Moriarty of Annapolis, Maryland. Mrs. Jack Tumlinson registered guests.

Others assisting in the houseparty were Mrs. Lyle McDermott of Cameron, Miss Carolyn Biggs of Liberty and Miss Kim McDermott of Cameron.

The bride received her BA degree from Baylor University and her M.S. degree from the University of Houston. The groom received his B.S. degree from Texas A&M college and is now enrolled in the school of engineering there. He is a Lieutenant in the U. S. Army Reserve.

Mr. and Mrs. Alva E. Sanders of Cameron announce the engagement and approaching marriage of their daughter, Carol Ann, to Harry Neil Barr, son of Mr. and Mrs. Harry Eugene Barr of Kilgore. A September wedding is planned.

Mrs. M. M. Bradham of Brady visited the past week in the home of her mother, Mrs. W. J. Morgan, and sister, Mrs. B. D. Clark. Other

guests in the Clark home were Mrs. Joe Jackson and son, Darrell of Cleburne.

Miss Kate McLane
Honored Saturday

Mrs. Mary McLane Lawrence and Mrs. James Earle Johnson honored their niece, Miss Kate McLane, at a tea from 5 until 7 Saturday afternoon in the Johnson home.

Miss McLane is the bride-elect of Malcolm Ray Dimmitt.

Apricot gladiolus decorated the living room where a receiving line was formed by Mrs. Johnson, Mrs. Drayton McLane, mother of the honoree, Miss Kate McLane, Mrs. L. T. Brookshire of Liberty, aunt of the prospective groom, and Mrs. L. L. Blaylock, Jr. of San Antonio.

Punch, Cake Served

Punch and cake squares were served from the dining room table which was covered with a lace cloth and centered with a double ring of gold surrounded by bronze flowers. Streamers of gold ribbon from the centerpiece were inscribed with the honored couple's names and revealed the wedding date, September 6, 1958.

Mrs. Lawrence greeted guests in the garden where they registered in the bride's book attended by Miss Becky Harden and Miss Betty Kestenbaum. On the table

Revival Meeting

Rev. J. R. Dolly, pastor of the Church of God in Christ, 1004 E. Main, announced that the church would hold a revival meeting at 8 each night until September 1. Rev. J. R. Green of Los Angeles, California is leading the revival and Dolly invited the public to attend.

beside the bride's book was a wedding invitation framed in gold and surrounded by sweetheart roses.

Houseparty

Assisting in the houseparty were Mrs. Walter H. Lawrence, Jr. of Austin, Mrs. O. B. Harden, Cameron, Mrs. Nick Brennan, Austin, Mrs. Bill Crenan, Burlington, Miss Lynn Lewis, Cameron, Mrs. Jack Lewis, Cameron, Mrs. Sam McDermott, Texas City, Miss Madeleine McDermott, Texas City, Miss Kay Camp, Cameron, and Mrs. B. F. Robinson, Cameron.

Double Ring Ceremony Unites
Gloria Skopek, Carrol Pimpler

Miss Gloria Jean Skopek and Mr. Carrol Pimpler were married Sunday at 3 in the afternoon at the Peace Lutheran Church, Rockdale.

The couple's parents are Mr. and Mrs. August Skopek and Mrs. Amelia Pimpler.

The Rev. F. T. Sager officiated at the double ring ceremony before a background of white mums. Nuptial music was furnished by Edna Wenzel, organist.

Given in marriage by her father, the bride wore a waltz length gown of lace over white satin. The fitted bodice featured a pearl encrusted round neckline.

Her veil of illusion fell from a pearl tiara and she carried a cascade of white carnations centered with an orchid.

Rebecca Skopek of Austin was maid of honor and Barbara Pimpler of Rockdale was bridesmaid. The attendants wore street length

OES Honors Founder
At Monthly Meeting

On August 11 the Cameron Chapter 553, OES, honored the founder of OES, Rob Morris, with a special program.

Taking part in the program were Mabel Dodson, Grady Allen, Stella Brock, Winifred Allen, Alice Nelson, Grace Loughmiller and Eleanor Luckey.

It was announced that the September meeting will be a friendship night. The surrounding chapters have been invited and a special program is planned.

Mrs. James Kahier and children left Wednesday for a week's visit in Fort Worth, Dallas, and Denton.

dresses of blue brocade taffeta and carried white mums.

Harold Pimpler of Cameron served as best man and William C. Sager of Austin was groomsmen. Ushers were Ronald Todd, Rockdale, and Norman Boehme, Caldwell.

Arrangements of white mums decorated the church recreation hall for the reception immediately following the ceremony.

The bride's table, covered with pink net over pink satin, held the three tiered wedding cake. Serving the cake were Miss Sarah Todd and Miss Gloria Boyls. Miss Ruby Jackson and Mrs. Doyle Lindeman presided at the punch service.

Miss Carole Boyls registered guests.

The bride is a 1957 graduate of Rockdale High School and the groom is a 1956 Rockdale High graduate.

Childress Insurance Blends Know How, Long Experience

George Childress Insurance provides youthful insurance know-how with long business experience "on the insurance corner, North Houston at West First St."

Owner George Childress points out that his insurance business offers complete insurance counsel and coverage including fire, auto, and life insurance.

His associate, James M. Wiggs, represents Southwestern Life Insurance Co., an outstanding insurance service at Childress Insurance.

Major companies represented by Childress are the Aetna group, Hartford fire group, Republic fire and casualty and National Surety Fireman's Fund. His agency represents a number of other leading insurance companies.

Wiggs, a specialist in fire, casualty and life insurance needs, has attended a number of insurance schools such as the Aetna school in Hartford, Conn. He recently attended a specialized school in Dallas sponsored by Southwestern Life.

"We strive for a well-rounded insurance service organization," Childress says. "We believe that the user of insurance can best be served when our personnel have a wide background in all types of insurance."

Childress also features auto financing and loans along with his insurance agency. He points out that he started out in the auto loan business in the early 1920's before many people felt auto financing was sound business.

"But now," Childress says, "everybody is in the auto insurance and finance business. We think our long experience puts us in good position to work out sound auto loans."

Childress started in the auto financing business with other partners in 1923. He managed the old Central Loan Co. which was liquidated in 1940. Childress maintained his own car financing after 1940 in the Citizens Bank Building, site of the loan company.

His present agency dates from 1940. Wiggs joined the agency in

1951 after graduating from Southwest Texas State College at San Marcos. He has a bachelor's in business administration.

Childress is a native Milam Countian, graduating from high school in Cameron and serving in World War I. He and Mrs. Childress reside at 1005 E. 14th St.

Mr. and Mrs. Wiggs and their two-year-old son, Jay and baby daughter, Lisa Gay, reside at 402 N. Central.

Wide Group Planning

"We offer any type of insurance group plan," Childress emphasizes, "which can be financed in monthly payments."

"Jimmy and I work to keep pace with modern insurance trends and needs," Childress continues. "We believe we can offer as sound insurance counsel and coverage as any agency in Central Texas."

Childress asks that clients call Phone 3 for an appointment or drop in and discuss their insurance program with Wiggs or himself.

In Two Locations Burkes-Howard Offers Leading Merchandise

The Burkes-Howard Co., Cameron and Bartlett, offers an outstanding line of farm and home name-brand appliances and machines, including International-Harvester trucks and Farmall row-crop tractors.

Max Howard, general manager and half-owner in the business, points out many other familiar names in appliances, farm equipment and allied materials as well as one of the largest stock of service parts in Central Texas.

"We really service what we sell," Howard says. "Our well-stocked parts department has just about everything to keep equipment solid at Burkes Howard going. And we have the servicemen to do the work right."

Many Products

Burkes-Howard Co. lines include General Electric appliances, Mohawk tires, Choremaster and Eskalawnmowers, Continental post-hole diggers and sprayers, stalk shredders by Service Equipment Co., Windpower rotary hoes and farm trailers, Ranger home trailers, Whirlpool freezers, lawn furniture, evaporative coolers and baling wire.

"We have a competent staff to stand behind our line of merchandise," Howard continues.

"O. G. Chamberlain has been our parts supervisor for four years. And Leo Plachy, William (Bill) Gibbs and Frank Plasek do an expert repair job on any kind of equipment customers bring in."

Plachy has 16 years experience with Burkes-Howard and is an appliance specialist. Gibbs is a top-notch welder while Plasek is an expert motor mechanic.

"We would like to point out that we sell a number of different types of Continental post hole diggers, including sprayers, stalk shredders and terracing machines, blades and dozers by Service Equipment Co., one of the major suppliers we represent," Howard says.

Two Stores

Burkes-Howard now has two stores, allowing them to buy in larger quantities for discount prices to farm consumers. Howard and his partner, E. J. Burkes, opened a farm equipment and appliance store in Bartlett in May, 1957.

Fair Deal, Good Car Service Await Earle Pearson Customers

A fair deal and dependable auto service are the prime assets at Earle Pearson Chevrolet, Cameron's authorized Chevrolet sales and service dealer.

"We want the confidence of our customers, lasting customers," says Owner Earle Pearson. "The best way we know to keep customer confidence is with straightforward business dealing."

Pearson points out his first aim is honest, dependable service that continues long after the sale of a new 1958 Chevrolet car or truck or an Old used car.

Pearson has the service of a well-staffed Chevrolet agency to back his policies with competent well-timed action.

Serving Customers

Larry Hackebell offers service direction backed by 23 years in Chevrolet. And Parts Manager Joe Lee Heitmann, a native Cameron-

ite and Yoe High School graduate knows his parts department, getting the customer the part his auto needs when he needs it.

Carroll McElwain, Cameron native with about 12 years of auto sales experience, joins with Pearson in sales presentation of the 1958 Chevrolet trucks and cars.

Working in the service department is Felix Marek, Cameron, specialist in powerglide and turbo-glide transmission work. He works with Lawrence Jetter, Cameron, Chevrolet school-trained expert in air conditioning and body work. And both men are highly competent mechanics who give careful service on any job, large or small.

And rounding out the Earle Pearson service staff are Joe Taylor, lube technician, and Oliver Blaylock, car washing and cleaning workman.

23 Years Experience

A veteran of 23 years in Chevrolet sales, service and parts, Pearson is also experienced in auto financing through GMAC and reasonable repair bills.

Pearson offers additional service in auto insurance on all his new and used cars.

"We believe that our customers and friends will find new car and truck deals at Earle Pearson's attractive enough to save shopping around for better ones," Pearson continues.

Constant improvements continue at his agency at 100 South Travis, Cameron. He is adding repair equipment to increase the range of repair services available to Chevrolet drivers.

Pearson sells all lines of Chevrolet cars and trucks and has fine used cars.

CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT THE GENERAL ELECTION ON NOVEMBER 4, 1958.

SJR #4—Number Two on the Ballot.

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 4, 1958.

SENATE JOINT RESOLUTION NO. 6 proposing an amendment to Subsection (b) of Section 62 of Article XVI of the Constitution of Texas, authorizing each county to provide retirement, disability and death compensation for its appointive officers and employees of the county or precinct, or for appointive and elective officers and employees of the county or precinct; providing for the submission of the proposed amendment to the voters qualified to vote thereon, and providing for the necessary election, form of ballot, proclamation, and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Subsection (b) of Section 62 of Article XVI of the Constitution of Texas be amended so as to read hereafter as follows:

"(b) Each county shall have the right to provide for and administer a Retirement, Disability and Death Compensation Fund for the appointive officers and employees of the county or precinct, or for the appointive and elective officers and employees of the county or precinct, provided same is authorized by a majority vote of the qualified voters of such county, and after such election has been advertised by being published in at least one newspaper of general circulation in said county once each week for four consecutive weeks; provided that the amount contributed by the county to such Fund shall at least equal the amount paid for the same purpose from the income of each person, or by the county, for such Retirement, Disability and Death Compensation Fund, as are received by the county, shall be invested in bonds of the United States, the State of Texas, or counties or cities of this state, or in bonds issued by any agency of the United States government, the payment of the principal of and interest on which is

happens to be on Monday, which also is Labor Day.

This, of course, is the North Zone season. The South Zone area doesn't open until Oct. 1.

Dove hunters get two breaks this year. Apparently there are more doves than we've had for a long time. And we can have 20 in possession after the first day.

We also get a little extra time. So that you won't be confused, NORTH ZONE: Sept. 1 to Oct. here is the setup:

Miss Gilleland, 74, Dies Here Following Three Month Illness

Miss Inez Martha Gilleland, 74, died 2:30 a.m. Sunday at her home on N. Fannin Street. She had been ill for the past three months.

Funeral services were held at 10 a.m. Monday in the Chapel of Green Funeral Home with the Rev. H. M. Bowley officiating. Interment was in Oak Hill Cemetery. Survivors include her sister, Mrs. J. L. Horton, Route 3, Rockdale; a brother, Brooks Gilleland, Dallas; two nieces and two nephews.

Pallbearers were J. C. Cauthen, John Henry Glass, Ollie Whittington, Lonnie Baker, Joe Hughes, and Roy Hensley.

Texas Highway Patrol Totals 38 Accidents For Month Of July

Sergeant O. L. Luther of the Bryan Area, of the Texas Highway Patrol, released Brazos, Burleson, Lee, Milam and Robertson Counties' Rural Traffic Accident Summary for July 1958.

The Highway Patrol in this Area investigated a total of 38 accidents with the following breakdown: Property Damage, 27, Personal Injury, 7, and Fatal Accidents, 4.

Sgt. Luther reported a total Property Damage of \$17,930.00 with 11 persons injured and 4 killed. This is a decrease of 6 accidents and a decrease of 4 deaths for the same period of June 1958.

Pavelek Earns Navy Petty Officer Rank

SAN DIEGO, Calif.—Edward J. Pavelek, apprentice petty officer second class, USN, son of Mr. and Mrs. Edward L. Pavelek of Route 1, Cameron, is scheduled to graduate August 20 from Recruit Training at the Naval Training Center, San Diego, Calif.

Apprentice petty officers are chosen from the ranks of the seaman recruits to assist Company Commanders. The selection is based on individual aptitude and leadership qualities.

Saturday night guests of Mr. and Mrs. Sonny Dorrner and family were Mr. and Mrs. Leland Burnett and Carolyn and W. M. Sweet of Jones Prairie Mr. and Mrs. Walter Strickler, Mr. and Mrs. M. D. Swanzy and Mr. and Mrs. Sonny Swanzy and family.

20, inclusive.

SOUTH ZONE: Oct. 1 to Nov. 19, except in the Rio Grande Valley. The mourning dove season ends there Nov. 17.

This is brought about by permitting the shooting of mourning doves during the White-winged season, which has been set for Sept. 14 and 16. Valley hunters may take 10 white-wings and 10 mourners for the two-day hunt.

Shooting hours in both the north and south zones will be from noon until sunset except in the white-wing area where shooting will begin at 2 p.m. continuing until sunset.

This liberalization of the bag limit and extension of shooting time in mourners was authorized by the U. S. Fish and Wildlife Service, since the dove is a migratory bird. The state could have continued a reduced season, but evidence of a wonderful crop with plenty of feed indicated there would be sufficient carryover after the season for next year's breeding.

It seems doves are everywhere this year. Drive along any road and you'll see them. On a country road where there is cover and feed stuff in the field, there are literally thousands of doves.

Success of the dove season, so far as shooting them is concerned, depends a great deal on weather conditions. One of the best methods of early shooting, of course, is around water holes. If a heavy rain comes during the final week before the season opens, and fills every pothole, it will slow down shooting slightly until this water disappears.

If a strong norther or a sudden change in weather in the North Zone should come early in the season, some doves will move on south. This migration is not as great as we are sometimes lead to believe. If you hunt upland birds you know that during December even the mesquite thickets throughout North and West Texas have many big fine fat doves.

Those of us who live near the dividing line between the north and south zones will have a real break. We get to hunt Sept. 1 until Oct. 1, in the north zone. After that we have our choice for three weeks. Then we still have the south zones open until after deer season begins.

If you've never hunted white-wings we'd certainly recommend your trying to work out a hunt

just for the novelty of it. Thousands of persons flock to the Valley each year for these hunts. It is almost impossible to get sleeping accommodations during the white-winged season unless you make your reservations early.

While many shooters lease areas for the white-winged season, there are many good places on a per diem basis, and just as many for free. The Valley is cut up by a network of irrigation ditches, floodways and canal banks. Many of these are public property and shooting has been permitted without charge. There are also many other unfenced places lining orchards and fields where owners do not object to shooting.

White-wing shooting for Valley residents is a family affair. Mother, dad, and all the kids go out, taking picnic lunches and plenty of cold drinks. It's nothing unusual to see play cribs around, with mom and pop shooting doves

and the youngsters picking them up.

Fortunately there are but a few accidents in this shooting. Practically all shots are fired a tan elevation. Occasionally someone feels the sting of a distant shot, but generally the shooting has been pretty safe. That doesn't mean you shouldn't use every precaution.

It is a great deal more difficult to find places for shooting mourning doves. Naturally those who live in rural areas find it much easier. Those of us who make our living in the cities sometimes have to drive 50 miles for an afternoon of shooting. It's worth it, however, for the fun and recreation we get.

Be sure to clear with the land owner before you get on his property. He may have had a cow killed last year by some careless shooter. Or someone may have left a gate open or knocked over some of his feed.

Keep in mind that wildlife is a crop. It belongs to you, but if the landowner doesn't take good care of it no one ever gets any benefit. See you in the field come Sept. 1.

14 Lettermen Will Turn Out For Two-A-Day

Back to school means back to the Yoe High athletic field for 14 returning lettermen and a number of B team players.

The Yoemen, according to head coach Jim Speer, will start regular scheduled workouts August 25 holding 2 practices a day.

Yoemen will play 4 district games with their competition probably being Belton, October 24.

The Yoemen have dropped to 18AA ball this year after being in 9AAA last season. The Yoemen

have 10 scheduled games, 4 at home and 6 away. 2 of the district games, Belton and Rogers, will be played here.

14 Lettermen Returning
Coach Speer will have 14 returning lettermen to work with August 25, 6 of them play backfield under the direction of coach Murphy Webster.

Jesse Kirk, last year defensive half-back, will be calling the plays at quarterback. Other hopefuls in the backfield are John Wayne Jo-

sey, half back, Roger Terry, full-back, Archie Mraz and Allen Dodson, half backs. The Yoemen's only back field all-district candidate will probably be Jesse Kirk, a top punter who has already lettered twice.

In the line Ray Tepera and George Zarosky will be the top mainstays and all-district contenders. Zarosky, senior end is a 2 year letterman and Tepera, a 170 pound senior guard has lettered twice.

Returning lettermen are Zarosky, Ray and Johnny Tepera, Kirk, Joe Humplik, Griffin Barrett, Paul Young, James Fontaine, Ed Lierman, John Wayne Josey, Allen Dodson, Archie Mraz, and Roger Terry.

Up from the 1957 B-team with a chance of making the team will be Charles Hollas, Ronald Brashers, Bobby Griswold, Bernay Dusek, Carroll Fikes, Gerald Bowen, and Triney Alvarez.

Coach Jim Speer predicts that the Yoemen have a chance at top team in the district if the team's bench hold up and players can avoid injury.

10-Game Yoe Season Starts With West Hi

The Yoe High School Maroon and Gray will meet West in the first game of the 1958 football season with 9 other games slated for the year.

It is believed by the coaches and fans that the Yoemen's exhibition in the first game will foretell how they will fare in later conference games.

Conference games in 18AA are slated with Belton, Rosebud, Rogers, and Hearne the last four games of the season.

Here is the complete 1958 schedule.

Mrs. Harper Dies Services Held

Funeral services were held for Mrs. A. L. Harper, 71, at 2 p.m. Saturday in the Chapel of Green Funeral Home. The Rev. A. F. Russell officiated at the service and burial was in Oak Hill Cemetery.

Mrs. Harper, a resident of 412 W. Gillis in Cameron, died at 10 a.m. Friday in St. Edwards hospital following an illness of six months.

She had lived in or near Cameron all her life except for a brief residence in Oklahoma.

Mrs. Harper is survived by her children: Dowell of Pauls Valley, Oklahoma; Guy of Cameron; Cordell, Jacksonville, Texas; Olan of Wichita Falls; Otis of Cameron; Mrs. John H. Hazelwood of Houston; Mrs. Joe Hudspeth of Hamlin; and Mrs. James A. Terry, Mrs. Bobbie Owings, and Mrs. Glynn Cummings, all of Cameron; two brothers, Henry and Lee Williams, both of Aspermont; 19 grandchildren and 5 great-grandchildren.

Palbearers were John Rosson, Dan Gunn, Roy Hightower, Tom Hightower, Oscar Hightower, Harvey Chamberlain, Elwood Chamberlain, and Manual Werner.

County Begins Corn Harvest, Maize Delayed

Corn harvest is getting underway on lighter soils, according to County Agent J. D. Moore, although it will be next week before most corn is ready for harvest.

Moore also commented that rains delayed maize harvest but were a welcome sight to farmers who have planted a peanut crop.

In the Agent's weekly report, he stated that cotton was maturing rapidly and pickers should start migrating next week.

Livestock conditions remain good and prospects indicate a strong demand for stocker cattle through the fall season. Watermelons continue to move on the local markets.

Mrs. W. C. Freeman and daughter, Jane spent several days this week with their daughter and sister Mrs. David Mohny and family of Dallas. They were accompanied by Miss Sue Butts who visited Mr. and Mrs. Haywood Clemmons of Ft. Worth.

CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT THE GENERAL ELECTION ON NOVEMBER 4, 1958.

HJR #31—Number Four on the Ballot.

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 4, 1958.

HOUSE JOINT RESOLUTION NO. 31 proposing an Amendment to the Constitution of Texas to provide that all county officials for whom four-year terms of office were authorized in 1954 must resign such office prior to announcing for a different office when more than one (1) year remains unexpired of the term for which they were elected, and providing for the filling of such vacancies in the manner now provided by law.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. Section 65 of Article 16 of the Constitution of the State of Texas is hereby amended so as hereafter to read as follows:

"Section 65. STAGGERING TERMS OF OFFICE.—The following officers elected at the General Election in November, 1954, and thereafter, shall serve for the full terms provided in this Constitution:

(a) District Clerks; (b) County Clerks; (c) County Judges; (d) Judges of County Courts at Law, County Criminal Courts, County Probate Courts and County Domestic Relations Courts; (e) County Treasurers; (f) Criminal District Attorneys; (g) County Surveyors; (h) Inspectors of Hides and Animals; (i) County Commissioners for Precincts Two and Four; (j) Justices of the Peace.

"Notwithstanding other provisions of this Constitution, the following officers elected at the General Election in November, 1954, shall serve only for terms of two (2) years: (a) Sheriffs; (b) Assessors and Collectors of Taxes; (c) District Attorneys; (d) County Attorneys; (e) Public Weighers; (f) County Commissioners for Precincts One and Three; (g) Constables. At subsequent elections, such officers shall be elected for the full terms provided in this Constitution.

"In any district, county or precinct where any of the aforementioned offices is of such nature that two (2) or more persons hold such office, with the result that candidates file for 'Place No. 1,' 'Place No. 2,' etc., the officers

elected at the General Election in November, 1954, shall serve for a term of two (2) years if the designation of their office is an uneven number, and for a term of four (4) years if the designation of their office is an even number. Thereafter, all such officers shall be elected for the terms provided in this Constitution.

"Provided, however, if any of the officers named herein shall announce their candidacy, or shall in fact become a candidate, in any General, Special or Primary Election, for any office of profit or trust under the laws of this State or the United States other than the office then held, at any time when the unexpired term of the office then held shall exceed one (1) year, such announcement or such candidacy shall constitute an automatic resignation of the office then held, and the vacancy thereby created shall be filled pursuant to law in the same manner as other vacancies for such offices are filled."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1958, at which election all ballots shall have printed thereon:

"FOR the Constitutional Amendment providing that any District, County, or Precinct official serving a four-year term must resign before announcing for a different office if there remains unexpired more than one (1) year of the term for which he was elected."

"AGAINST the Constitutional Amendment providing that any District, County, or Precinct official serving a four-year term must resign before announcing for a different office if there remains unexpired more than one (1) year of the term for which he was elected."

If it appears from the returns of said election that a majority of the votes have been cast in favor of said Amendment, same shall become a part of the Constitution of the State of Texas. Sec. 3. The Governor of Texas shall issue the necessary proclamation for the election herein provided for and shall cause this proposed Amendment to be published in the manner required by law and shall cause said election to be held as required by the Constitution and laws of this State.

MILAM COUNTY'S FARM SCENE

Agent's Report

Late Planted Maize Fails To Form Seed

By J. D. Moore, County Agent

A number of farmers have reported a failure of late planted maize to form seed. This condition amounts to almost a crop failure in many instances. The cause of the "blasted" condition found in late planted maize is the "Sorghum Midge". This tiny insect is a grayish maggot that extracts plant juices from the developing seeds causing them to blast. Early planting can reduce damage by this pest.

Destroy Maize Stalks

Farmers are encouraged to shred and plow out their maize stalks as soon as the crop is harvested. This is considered a good farming practice because further soil nutrients are taken from the soil if the stalks are permitted to continue growth in the field. Future crop yields are reduced and stalk decomposition is delayed if maize stubble is allowed to dry in the field.

Add Nitrogen

Students of soil science point out an advantage in adding nitrogen to the shredded stalks before they are plowed under. This practice

adds available nitrogen to the soil to feed the bacteria that aid in the breaking down of the stalks into organic matter.

Two hundred pounds per acre of ammonium sulphate (21 percent N) would add about forty two pounds of nitrogen. Ammonium nitrate (33 percent N) would add 66 pounds of nitrogen per acre. Reports of most soil tests in the county show a need for about 40 lbs of nitrogen for future crop production. In addition to adding nitrogen, the addition of organic matter increases the physical structure of the soil since most of our soils are low in organic matter.

Fall Seeding Best

Alfalfa is now grown on approximately a third of a million acres in Texas. Hay and seed are the most important products harvested from this acreage but alfalfa is also an excellent pasture crop; is one of the best soil improvement crops; is used for dehydration and its flowers provide bees with the pollen for making honey.

Many other farmers could use alfalfa in their farming plans especially in acres where the crop is adapted. The perennial legume does best on fertile well-drained soils of medium texture and which are neutral to alkaline. It is being grown on some acid and sandy soils in east Texas but heavy applications of lime and fertilizer are required. A soil test is recommended as the first step in establishing alfalfa.

The most widely grown and adapted are the "Common" varieties—Southwestern and Barstow. They are best for all of Texas except that part of the State south of a line running from Houston westward through San Antonio.

Fall is the best time for seeding, mainly because the weed problem is much easier to handle and moisture and temperature are usually more favorable. The seedbed should be well-prepared, firm and moist or the seed may be planted in dead stubble in areas where wind or blowing sand is likely to damage the seedlings. From 15-20 pounds of good seed should be used per acre if it is drilled in, while from 2 to 3 pounds of good seed should be planted per acre when the alfalfa is planted in 36 to 42 inch rows.

Planting seed should be certified and inoculated just prior to planting. Too, alfalfa needs plenty of phosphorus and potash and an adequate amount of calcium and a soil test is best for making this determination.

Fishing Improves After Treatment At Possum Kingdom

AUSTIN—Recent treatment of Possum Kingdom Lake to kill gizzard shad is proving successful with reports of improved fishing, according to the director of Inland Fisheries of the Game and Fish Commission.

The 16,500-acre lake was treated August 6 by spraying a synergized rotenone solution from airplanes. This is the first attempt ever made to spray more than 99 per cent of a lake by air application, and the largest volume of water ever treated for a fish kill.

Shoreline counts were made after

the spraying operation to determine the number of fish affected. On the basis of preliminary counts hurried calculations indicate that approximately 40 million gizzard and threadfin shad were killed in the treatment.

This figure does not take into account the shad eaten by game fish or by small animals along the shore. Other species of fish were found, but spot checks seem to hold their numbers to the original estimate of one-half of one percent of the total.
